The Commander then read the Governors Patriots Day proclamation.

Lyons Post, A.L., if they agree.

Serious discussion, shared in by all present, then followed relative to the tentative decision made June 9. 1942. that the Camp disband this coming June, and that a motion so to do would be made at the meeting June 8, '43.
It was felt that as important a matter might not to be decided only by those attending that meeting, and on motion of Bro. C.J. Lambston it was voted that the Secretary send notice to all members requesting their presence at the meeting, or to otherwise make known their feeling about disbandment

A special meeting of the Camp was held at the call of Commander Poole in the library of the G.A.R. five brothers being present. Minutes of former meeting approved
The object of the meeting being the proposed disbandment of the Camp in June, Dept. Cmdr Whitcomb was present, coming from Malden at the solicitation of Cmdr Poole.
He had a good deal to say about getting the Boy Scouts or members of the Aux. to help decorate veterans graves. It was explained to him that the four brothers who have cared for St. John's Cemetery in recent years are all men of advanced years and that there is no prospect of younger men succeeding them.
The Dept. Cmdr said the only requirement to hold the charter is the payment of the per capita on five or more members, and that if Camp is disbanded all effects of the Camp, including money in the treasury, should go to the Department.
The wording of the notice to go out June 1 to all members, relative to disbandment, was discussed and approved.
